RE: Annual Report on Costs Associated with Permanent Disconnection and Removal of
Facilities
Docket UE-001734

Dear Mr. Johnson:

Commission Staff has reviewed the compliance filing of Pacific Power & Light Company dated 2/21/2018, reporting the number of times the tariff (Rule 4 & Rule 6) was used, and for each transaction: the date, customer type, nature of the request, estimated removal cost and salvage, actual removal cost and salvage, description of the facilities removed, and the accounts used to book the transaction.

Staff believes that the filing complies fully with the Commission's Order 08, entered 11/27/2002.

Sincerely,

David Panco
Lead Staff
Regulatory Analyst
