RE: Docket UT-060762

Dear Mr. King:

As a consequence of the Washington Exchange Carrier Association and the Pool that it administers being discontinued, Westgate Communications LLC d/b/a WeavTel requests that the Permanent Revenue Objective (PRO) filing submitted in Docket No. UT-060762 on December 30, 2013 be withdrawn. The function of a permanent revenue objective is to determine eligibility to receive funds from the pool administered by WECA. Subsequently, the filing for a permanent revenue objective has become nongermane.

WeavTel appreciates the time and resources the staff of the WUTC have invested in this process. While changing circumstances have forced WeavTel to adjust and revise our fiscal administration once again, we would like to express our gratitude for their ongoing assistance in this matter.

WeavTel respectfully request that its petition for a PRO made in Docket No. UT-060762 be withdrawn.

Richard J. Weaver  
General Manager
