Re: Request for Supplemental Filing of ETC Certifications and Reports – Docket No. UT-063052

Dear Ms. Washburn:

Per the request from Bob Shirley dated August 14, 2006, enclosed for filing are Verizon Northwest Inc.'s ("Verizon") Replacement Certifications for WAC 480-123-070(5), 480-123-070(6) and 480-123-070(7). Please replace the affidavits that were filed with Verizon's report on July 31, 2006 with the certifications that are enclosed. As to Mr. Shirley's comment about WAC 480-123-060(1), please note that Verizon did not request certification by the WUTC to the Federal Communications Commission ("FCC") in its July 31, 2006 filing because Verizon does not receive any of the types of support for which state commission certification is required by the FCC.

Sincerely,

A handwritten signature in cursive script that reads "Kim Douglass".
