RE: *BNSF v. Yakima County*, Docket TR-140382 and Docket TR-140383

Judge Pearson:

In response to the bench requests issued at the April 28-29, 2015 hearing in this matter, Petitioner BNSF Railway Company, Inc. ("BNSF") attaches the following responsive documents:

- The Washington State Department of Transportation Standard Collision History Detail Report referenced in footnote 7 of Mr. Norris's prefiled testimony;
- The Basic Accident Prediction Formula and calculations supporting the predicted accident rates referenced on page 8 of Mr. Norris's pre-filed testimony.

In response to the request for Mr. Norris' records of conversations with emergency responders, Mr. Norris has informed BNSF that he spoke with Brian Vogel, Yakima County Fire District No. 5, on October 22, 2014. Mr. Vogel's telephone contact number is (509) 829-5111.

WordPerfect and PDF versions of this letter and the two documents have also been submitted in electronic form to www.utc.wa.gov/e-filing and copies sent via electronic mail to the interested parties.

Respectfully submitted,
