STATE OF WASH.
UTIL. AND TRANSP.
COMMISSION

Commissioner Danner, Rendek
and Balesat,

This is in reference to PSE's
2017 Integrated Resource Plan,
Docket # UE-160918 & UE-160919.

Clearly, our state will have
to take our environmental
future in our own hands. Please
ask PSE to close all
Coal strip plants by 2025
and replace them with 100%
renewable energy.

As a rate payer, I feel
strongly that I want to
support this direction. I
want my grandson to grow
up in a better world than
what we're headed. Thank you,
Mare Brunne
