**CIP APPROVAL WITH AP MERGER**

Dear Mr. Becker,

The Transportation Security Administration (TSA), at Region 5, has completed its review of Puget Sound Energy's Cybersecurity Implementation Plan (CIP).

TSA has determined that the CIP provides the information required by Sections III.A. through III.E. of Security Directive Pipeline-2021-02C and describes in sufficient detail the Puget Sound Energy defense-in-depth plan for meeting each of the requirements in Sections III.A. through III.E. Therefore, TSA approves Puget Sound Energy's CIP.

Accordingly, TSA will close your Action Plans created to comply with Security Directive Pipeline-2021-02B.

As of the date of TSA's approval, the CIP becomes the compliance document that TSA will enforce through its CIP inspections. Accordingly, Puget Sound Energy must implement and maintain all measures, milestones, and/or timelines provided in the TSA-approved CIP.

If you have any questions, please direct them to Pipeline Security Assessment Team member Joy Kuntz, 206-714-3670, [Joy.Kuntz@tsa.dhs.gov](mailto:Joy.Kuntz@tsa.dhs.gov).

Sincerely,
