Dear Mr. King:

Qwest Corporation d/b/a CenturyLink QC is forwarding for filing the sheets listed on Attachment A.

This filing will eliminate the Traditional USF rate element of \$0.00152 as ordered by the Washington Utilities Commission on May 23, 2014 in Order 10, Docket UT-971140. As part of this filing, references to the interim universal service rate element, which was reduced to zero in 2012 in compliance with the FCC's ICC/USF Transformation Order, will be eliminated. In addition, some minor textual and definition changes are being made.

CenturyLink QC respectfully requests that these proposed rate changes become effective on August 1, 2014. If you have questions concerning this filing, please contact Mark Brinton – Regulatory Operations on (303) 992-5832.

Sincerely,

A handwritten signature in blue ink that reads "Mark Brinton".

Mark Brinton
