Docket UG-061721

TO ALL PARTIES:

On June 27, 2007, the Washington Utilities and Transportation Commission (Commission) entered Order 06 Approving and Adopting Stipulation; Authorizing Transaction (Order 06) in Docket UG-061721. Order 06, among other things, required Cascade Natural Gas Corporation (Cascade) to measure and report on certain customer service quality information detailed in the stipulation approved and adopted by Order 06.

On February 18, 2022, Cascade filed its annual customer service quality report for the 12-month period ending December 31, 2021 (Report).

On June 29, 2022, Commission staff (Staff) filed a letter stating that Staff had reviewed the report and believes that it meets the requirements of Order 06, and that Staff will continue to monitor the reports.

The Commission has reviewed the Report, and finds that it complies with the terms of Order 06.
