Re: Docket No. UT-083041 – Charter Fiberlink Arbitration
Revised Issues Matrix

Dear Mr. Danner:

At the close of the hearings in this matter the parties agreed to submit a revised issues matrix along with the opening briefs. Qwest hereby requests an extension of time for the submission of the issues matrix until no later than the date of the reply briefs. Qwest and Charter are still discussing various issues and there is at least the possibility that the matrix will change before the reply briefs are filed. Thus, it would be most efficient for the Commission and the parties to submit the matrix at that time. I have consulted with counsel for Charter, and Charter agrees to this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Lisa A. Anderl".
