**RE: Docket UE-210829—PacifiCorp’s Revised Final Clean Energy Implementation Plan**

PacifiCorp d/b/a Pacific Power & Light Company (PacifiCorp) respectfully submits this Revised 2021 Final Clean Energy Implementation Plan (CEIP) for the Washington Utilities and Transportation Commission’s (Commission) consideration.

PacifiCorp updated the 2021 CEIP consistent with Order 06 in Docket No. UE-220376, and provided a draft CEIP to stakeholders in that docket on March 3, 2023. No stakeholders objected to the revised CEIP, however PacifiCorp incorporated feedback from Commission Staff that is reflected in Appendix F.

Confidential workpapers are provided to the Commission in accordance with WAC 480-07-160. The confidential workpapers include valuable commercial information, specifically confidential cost and financial information. Disclosure of this information would provide third parties with unfair competitive advantages that could harm PacifiCorp and PacifiCorp’s customers.
