Re: Washington Natural Gas Company
Docket No. UG-920840

Dear Judge Anderl:

Recently, Mr. Frederickson wrote counsel concerning the schedule constraints of a Seattle Steam witness. Ms. Arnold has responded to this letter.

Rather than addressing witness constraints on a piecemeal basis, it seems appropriate to schedule a telephonic conference to confirm the order and availability of all witnesses at the May hearings. The conference should be scheduled very shortly after the filing date of April 20, to facilitate review of testimony and preparation for the hearings. The Company suggests April 26 or the afternoon of April 27 for the scheduling of a conference among counsel. Other issues could be discussed at the conference as necessary.

Thank you for your consideration.

Very truly yours,

D.S.

D. Scott Johnson
