ERRATA TO ORDER GRANTING REQUEST

RE: In the Matter of the Petition of Arco Western Gas Pipeline Company and BP Pipelines (North America) Inc., seeking authorization to operate a facility with a maximum allowable operating pressure greater than five hundred psig pursuant to WAC 480-93-020, Docket No. PL-040123

TO ALL PARTIES:

The Commission entered an Order Granting Request on Wednesday, February 11, 2004, in this docket. The caption incorrectly reflects the request as one seeking temporary authorization to operate a facility with a maximum allowable operating pressure greater than five hundred psig pursuant to WAC 480-93-020. In fact, as was clear in the grant of authority, the request was for authorization of indefinite duration.

This erratum notes and corrects the caption to read "In the Matter of the Petition of ARCO WESTERN GAS PIPELINE COMPANY AND BP PIPELINES (NORTH AMERICA) INC., Seeking Authorization to Operate a Facility with a Maximum Allowable Operating Pressure Greater Than Five Hundred psig Pursuant to WAC 480-93-020. A copy of the corrected order is attached for your convenience.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
