RE: Amendment to the Type 1 and Type 2 Wireless Interconnection Agreement between Qwest Corporation d/b/a CenturyLink QC and Pass Word, Inc., Docket No. UT-063089

Dear Mr. Bacon:

On September 24, 2012, Qwest Corporation d/b/a CenturyLink QC and Pass Word, Inc., (Pass Word) filed with the Washington Utilities and Transportation Commission (Commission) a request for approval of an interconnection agreement amendment (amendment). The amendment is a delegated item scheduled for approval by December 22, 2012.

WAC 480-07-640 requires interconnection agreements or amendments be submitted for approval within 30 days after they are signed. The last signature appearing on the interconnection agreement is dated August 23, 2012; therefore, the interconnection agreement was filed 2 days late. The Commission reserves the right to investigate and, if appropriate, commence a separate proceeding to complain, enforce, and penalize Pass Word for failure to meet the filing requirements.

For further information, or if you have any questions, please contact Kristen Russell at krussell@utc.wa.gov or (360) 664-1281.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
