RE: Replacement Pages for Tariff Number 8, Certificate Number G-98. Please do not re-docket TG-082057.

Dear Sirs:

Attached please find an LSN and supporting documentation to extend the current commodity credit for a six month period to July 1, 2009 for tariff number 8, for Harold LeMay Enterprises, Inc., Pacific Disposal and Butlers Cove Refuse Service.

The calculation is projecting current market conditions. If the commodity credit is not amended and stands as \$2.59 as originally filed, it is estimated that each customer will receive a charge of \$2.40 due to the over funded commodity credit. If the currently approved commodity credit is extended for six month it is estimated that each customer will receive a charge of \$1.90 per month.

If you have any questions regarding these revisions, please contact me at (253) 896-3278, (253) 377-4208 cell, or via email at irmgardw@wcnx.org.

Sincerely,

Irmgard R Wilcox
Controller
