COST RECOVERY SURCHARGE

Availability

(N)

This schedule is available in all Water Service Areas served by the Utility and at Utility's option and capability to maintain Department of Health standards of quantity and quality.

Applicable

Applicable to any connection or customer of the Utility.

Conditions

The charge for this service is not subject to cancellation or reduction for seasonal or temporary periods. This charge will be the monthly minimum bill for this class of service and will be in addition to other charges as provided in this tariff.

This surcharge is the result of costs incurred for drilling of Well No. 17 and subsequent investigation of the site 781 Walker Way, Port Ludlow, WA 98365 following discovery of contamination at the property. UTC allowed these costs to be deferred in Docket UW-110436 pending completion of the site investigation.

The Surcharge is to expire June 30, 2017, or upon recovery of \$ 165,059 whichever occurs first. Cost includes principal, plus interest charges and state excise taxes. The Surcharge may be paid (within 90 days of effective date) in a one-time payment sum of \$94.19 per customer and save interest cost.
