RE: Pullman Disposal Service, Inc. - G-42
Tariff Number 17, Revised pages

Dear Secretary:

Enclosed herewith are proposed tariff 17, pages 2, 25-7,29-31,33-35,41-46, and 47a issued May 16, 2013 become effective July 1, 2013 for Pullman Disposal Service, Inc., G-42. The revisions are due to decreases in Whitman County landfill disposal fees, and increases in wages, postage, fuel, insurance and other operating expenses. In addition, a new recycling system (known as "single stream") will increase recycling opportunities for customers with a convenient cart. The annual revenue increase, if approved by the commission, is approximately \$138,413 {refuse (\$25,280), recycling \$163,693} or 3.6% of total revenue. The change in a typical 1-can customer is approximately \$2.50 {refuse (\$.13), recycling \$2.63} or 15.9%. In conjunction, we submit the following in regards to the revised tariff.

- Copies of revised tariff pages
- Copies of sample customer notices
- Solid Waste General Rate Case Checklist
- Accounting workpapers (both paper and electronic copies)

Notices will be mailed on or before May 31, 2013 to customers and the newspaper of general circulation. In addition, copy of transmittal letter was mailed to Whitman County. If we can provide any further information, please call Bob Cole at 206-525-2614.

Sincerely,
Robert C. Cole
