4                   Boise is Pacific Power & Light’s (“PacifiCorp” or the “Company”) largest customer in Washington, purchasing both power and power delivery services at its mill in Wallula, Washington. Boise was a party to PacifiCorp’s most recent general rate case (UE-130043).

5                   Boise has a substantial interest in PacifiCorp’s Report on Permanent Disconnection and Removal of Facilities. The costs PacifiCorp is allowed to charge for permanent disconnection and removal may affect Boise’s rates for service, which would substantially and directly affect Boise. Boise requests leave to intervene in this Docket to represent its interests.

6                   Boise’s legal counsel has extensive experience in proceedings before the Commission involving PacifiCorp. Boise participated in PacifiCorp’s most recent general rate case, Docket No. UE-130043. Boise’s intervention in this proceeding will assist the Commission in resolving the issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

7                   As described above, Boise has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. Thus, it is in the public interest to allow Boise to intervene in this proceeding.

WHEREFORE, Boise respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 5th day of February, 2014.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
