**PTI February 6, 2015 RE: Docket TE-144101:**

- a) Critical Violation Primary 391.45/ Secondary: 391.11(a)/CFR Equivalent: 391.45(a): *Using a driver not medically examined and certified.***

PTI went from 16 non-compliant drivers for a total of 187 violations (Feb 2015) down to 1 non-compliant driver for a total of 36 violations (March 2016).

- b) Critical Violation Primary 396.17/CFR Equivalent: 396.17(a): *Using a commercial motor vehicle not periodically inspected.***

PTI's A-Service inspection requirements meet and/or exceed both State and Federal requirements as they were taken directly from the same Federal Statute as the Washington State inspection requirements. After the 2014 Audit, we attempted to inspect at several certified inspectors who told us they only inspected commercial freight trucks not passenger vehicles. We therefore relied on our internal A-Service requirements to ensure the safety of our vehicles, however, following the March 2, 2016 Review, we secured a small number of inspectors that will handle passenger vehicles. PTI has now ensured that all vehicles domiciled in the State of Washington are in compliance with a certified inspector. We also had added a field in our electronic monitoring system to proactively notify each location of the approaching inspection deadline for each vehicle. This has been done to ensure continued compliance going forward.

Please see attached A-Service Requirements:

- A-Service description (See Exhibit "C")
- Inspector Sign-off Sheet (See Exhibit "D")
- A-Service vehicle inspections performed in the State of Washington during the time period of January 1, 2015 to May 16, 2016. (See Exhibit "E")

**PTI March 2, 2016 Review Summary:**

Please find below additional information that I would request you review prior to the May 24, 2016 BAP:

- a. Critical Violation - Primary 390.35 /CFR Equivalent: 390.35: ***Making or causing to make fraudulent or intentionally false entry on a required medical examiner's certificate.***

For the record we would like to notify the Court that both drivers were identified as committing fraud and were terminated.

- b. Critical Violation Primary 391.45/ Secondary: 391.11(a)/CFR Equivalent: 391.45(a): ***Using a driver not medically examined and certified.***

See above response from the 2014 Audit with only one (1) driver non-compliant in 2016.

- c. Critical Violation Primary 391.45/Secondary: 391.11(a)/CFR Equivalent: 391.45(b) (1): ***Using a driver not medically examined and certified.***

PTI had relied on a third party vendor previously; however, PTI has now internalized this audit review process using a new software tracking product. If a lapse in coverage occurs, the driver is now immediately withheld from service until the new certification received.

- d. Critical Violation Primary 391.51 /CFR Equivalent: 391.51(b) (7): ***Failing to maintain medical examiner's certificate in driver's qualification file.***

We did have current certification cards on file for said drivers; however, our process only maintained the most current certification as we were not aware we had to maintain the historical certificates. We have now changed our policy to keep the past certificates on file in addition to the current.

- e. Critical Violation Primary 391.51/CFR Equivalent: 391.51(b) (9): ***Failing to place a note related to the verification of the medical examiner's listing on the National Registry of Certified Medical Examiners required by 391.23(m) in driver qualification file(s).***

While PTI does verify that medical examiners are listed on the National Registry prior to a driver examination, previous PTI process did not require a manual note of this verification. That process has now been modified to include a requirement of including a manual note on each verification.

- f. Critical Violation Primary 396.17/CFR Equivalent: 396.17(a): ***Using a commercial motor vehicle not periodically inspected.***

Please see previous response above.

**NOTICE OF BRIEF ADJUDICATIVE PROCEEDING**

(Set for Tuesday, May 24, 2016, at 9:30 a.m.)

RE: *Washington Utilities and Transportation Commission v. Professional Transportation, Inc.*, Docket TE-144101

TO ALL PARTIES:

On February 13, 2015, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Initial Order Granting Partial Mitigation (Order 01), in the above-referenced Docket. Order 01 assessed penalties against Professional Transportation, Inc. (PTI or Company) for violations of Washington Administrative Code (WAC) 480-30-221, which adopts by reference 49 C.F.R. Part 391 related to driver qualifications, and Part 396 related to vehicle inspection, repair, and maintenance. Specifically, the Commission assessed an \$18,800 penalty, a \$6,700 portion of which was suspended for a period of one year on the condition that PTI incurs no repeat violations of Commission rules during a follow-up inspection.

On February 24, 2016, the Commission entered a Complaint Seeking to Impose Penalties in Docket TE-160231 (Complaint) and Notice of Brief Adjudicative Proceeding (BAP) set for May 24, 2016, at 9:30 a.m. Commission staff (Staff) alleges that PTI violated Order 01 a total of 150 times, and that those violations, along with 174 additional violations, form the basis of the Complaint.

On April 11, 2016, Commission staff (Staff) filed a Motion to Correct an Error in Order 01 and Motion to Schedule a Hearing to Determine Status of Suspended Penalty. Staff requests the Commission schedule a BAP in Docket TG-144101 to determine whether to impose the suspended penalty against PTI concurrent with the BAP scheduled in Docket TG-160231, and requests the Commission correct a clerical error in Order 01 by replacing an incorrect citation to 49 C.F.R. Part 391.45(b)(1) with a correct citation to 49 C.F.R. Part 391.45(a).

To conserve Commission time and resources, the Commission grants Staff's request to schedule a BAP in Docket TE-144101 on Tuesday, May 24, 2016, at 9:30 a.m., concurrent with the BAP scheduled in Docket TE-160231. Staff's Motion to correct Order 01 will be addressed during the BAP.

**THE COMMISSION GIVES NOTICE That a brief adjudicative proceeding in Docket TE-144101 is set for Tuesday, May 24, 2016, beginning at 9:30 a.m., in Room 206, Richard Hemstad Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.**

DOCKET TE-160231

COMPLAINT

NOTICE OF BRIEF  
ADJUDICATIVE PROCEEDING  
(Set for May 24, 2016, at 9:30 a.m.)

1 The Washington Utilities and Transportation Commission (Commission) on its own motion, and through its Staff, alleges as follows:

**I. PARTIES**

2 The Commission is an agency of Washington state authorized by state law to regulate the rates, services, facilities, and practices of public service companies, including passenger charter and excursion carriers, under the provisions of Title 81 RCW.

3 Professional Transportation, Inc. (Company) is an Indiana corporation authorized under Commission-issued Certificate CH-345 to provide charter and excursion services in Washington state.

**II. BACKGROUND**

4 In December 2014, in Docket TE-144101, the Commission assessed an \$18,800 penalty against the Company based on 188 alleged violations of Washington Administrative Code (WAC) 480-30-221, which adopts by reference 49 CFR Part 391 related to driver qualifications, and 49 CFR Part 396 related to vehicle inspection, repair, and maintenance. The Company responded to the Commission's penalty assessment by admitting all violations and by requesting mitigation of the penalty amount.

5 In February 2015, the Commission granted the Company's mitigation request in part by suspending a \$6,700 portion of the \$18,800 penalty for one year on the condition that the Company commit no repeat violations of 49 CFR Part 391.45(a) or 49 CFR 396.17(a).

The Commission directed Staff to perform a follow-up investigation within one year. The Company timely paid the non-suspended \$12,100 penalty.

6 In November 2015, Staff investigator Francine Gagne performed the follow-up investigation required by the Commission's February 2015 order in Docket TE-144101. Ms. Gagne identified 324 violations of motor carrier safety rules.

7 The violations identified by Ms. Gagne are described in Parts B and C of Staff's Investigation Report and are further alleged in the cause of action below.

### III. JURISDICTION

8 The Commission has jurisdiction over the subject matter under RCW 81.01, RCW 81.04, RCW 81.70, WAC 480-07, WAC 480-30, and RCW 34.05.

### IV. APPLICABLE LAWS AND REGULATIONS

9 Passenger charter and excursion carriers operating under the Commission's authority must comply with the parts of Title 49 of the Code of Federal Regulations (CFR) listed in WAC 480-30-221.

10 Under RCW 81.04.380, the Commission may assess penalties of up to \$1,000 for each violation of any Commission rule by a passenger charter or excursion carrier.

### V. CAUSE OF ACTION

11 The Commission alleges that the Company committed 324 violations of WAC 480-30-221 by committing 324 violations of regulations in Title 49 CFR, as follows:

- a. **Two violations of 49 CFR Part 390.35 (acute violations):** Making or causing to make a fraudulent or intentionally false entry on a required medical examiner's certificate. The Company or its employee(s) falsified the expiration date on two medical examiner's certificates.
- b. **Thirty-six violations of 49 CFR Part 391.45(a) (repeat, critical-type violations):** Using a driver not medically certified. Driver Brian Cozad drove on 36 occasions with no medical examiner's certificate on file. The Company previously admitted violations of this regulation during the Commission's 2014 review in Docket TE-144101.
- c. **One-hundred eleven violations of 49 CFR Part 391.45(b)(1) (critical-type violations):** Using a driver not medically examined and certified during the

---

preceding 24 months. Three drivers, Patrick Bentler, Dorothy Dinsmore, and Christine Rubey, collectively drove on 111 occasions with expired medical examiner's certificates.

- d. **Eleven violations of 49 CFR Part 391.51(b)(7) (critical-type violations):** Failing to maintain medical examiner's certificate in the driver's qualification file. The Company failed to maintain eleven drivers' previous medical examiner's certificates in each driver's qualification file.
- e. **Fifty violations of 49 CFR Part 391.51(b)(9):** Failing to place a note related to the verification of a medical examiner's listing on the National Registry of Certified Medical Examiners required by 391.23(m) in the driver's qualification file. The Company failed to verify that the medical examiners used by 50 drivers appeared on the national registry.
- f. **One-hundred fourteen violations of 49 CFR Part 396.17(a) (repeat, critical violations):** Using a commercial motor vehicle not periodically inspected. The Company used 114 motor vehicles that were not periodically inspected. The Company previously admitted violations of this regulation during the Commission's 2014 review in Docket TE-144101.

#### VI. REQUEST FOR RELIEF

- 12 Staff requests that the Commission impose monetary penalties in an amount to be determined by further proceedings in this docket.

#### VII. PROBABLE CAUSE

- 13 Consistent with RCW 80.01.060 and WAC 480-07-307, the Commission finds probable cause to issue this Complaint.

#### VIII. NOTICE OF BRIEF ADJUDICATIVE PROCEEDING

- 14 Pursuant to RCW 34.05.482 and WAC 480-07-610, the Commission determines that a brief adjudicative proceeding is appropriate for resolving the issues in this complaint.
