3 The administrative rules at issue are WAC § 480-07-340, -355.

4 Boise manufactures and distributes paper products in the United States, including sheet papers, containerboard and corrugated containers, and market pulp. Boise is Pacific Power & Light Company's ("Pacific Power" or the "Company") largest customer in Washington, purchasing both power and power delivery services at its mill in Wallula, Washington. Boise was a party to the Company's recent pension deferral proceeding, Docket UE-181042, and was a party to Pacific Power's most recent power cost adjustment proceeding, Docket UE-170717, as well as the Company's last general rate case, Docket UE-152253.

5 Boise has a substantial interest in Pacific Power's 2018 Power Cost Adjustment Mechanism ("PCAM"), which potentially allows the Company to either recover or refund unexpected variations in its power costs. As Pacific Power's largest Washington customer, Boise could be substantially and directly affected by Pacific Power's calculation of its PCAM deferral. Thus, Boise requests leave to intervene in this Docket to represent its interests which are directly affected by Pacific Power's PCAM.

6 Boise's legal counsel and expert have extensive experience in proceedings before the Commission involving Pacific Power tariffs, rules, and rate schedules. Boise has participated in numerous Company proceedings, and most recently in UE-140762, U-151958, UE-152253, UE-161204, UE-170717, UE-180778, and UE-181042. Boise's intervention in this proceeding

will assist the Commission in resolving the issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

7 As described above, Boise has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. Thus, it is in the public interest to allow Boise to intervene in this proceeding.

8 WHEREFORE, Boise respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 19th day of June, 2019.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
