RE: *In the Matter of Determining the Proper Carrier Classification of, and Complaint for Penalties Against Ray Hahne,*
Docket TG-190844

TO ALL PARTIES:

On November 25, 2019, the Washington Utilities and Transportation Commission (Commission) entered Order 02, Stipulated Initial Order Classifying Respondent as Solid Waste Collection Company; Ordering Respondent to Cease and Desist; Imposing and Suspending Penalties on Condition of Future Compliance (Order 02) against Ray Hahne (Company). Order 02 assessed a penalty of \$2,000 against the Company, which was suspended for two years, to be waived thereafter, subject to the condition that the Company refrain from operating as a solid waste collection carrier in Washington without first obtaining the required certificate.

On December 1, 2021, Commission staff (Staff) filed a letter in this docket informing the Commission that Staff believes the Company has refrained from operating as a solid waste collection carrier without a certificate. Staff recommends the suspended penalty be waived.

The Commission finds that Ray Hahne has complied with the conditions of Order 02. The \$2,000 suspended penalty is now waived, and this docket is closed.
