Dear Ms. Maxwell,

Avista Corporation, dba Avista Utilities (Avista or Company), submitted its annual tariff revisions to its Schedule 62 "Small Power Production and Cogeneration Schedule" on October 28, 2021, with an effective date of December 31, 2021. Since the initial filing the Company filed to extend the effective date to March 15, 2022. After discussion with Commission Staff the Company requests to extend the effective date again to April 18, 2022. In addition, the Company was made aware that it inadvertently mislabeled tariff sheet 62E, which it has corrected with this filing.

If you have any questions regarding this filing please contact me at 509-495-2782 or shawn.bonfield@avistacorp.com.

Sincerely,

/s/ Shawn Bonfield
