Dear Ms. Maxwell:

In accordance with the Commission's policy statement in Docket UG-120715 Cascade hereby submits its update to the Cost Recovery Mechanism with actual costs as of August 31, 2022, and estimated costs through October 31, 2022.

Cascade will be providing its final update once September actual costs are known per the policy statement. Cascade will also replace the originally filed tariff based on the data in the final update.

In accordance with WAC 480-90-195, Cascade will issue bill inserts at the beginning of October 2022 to customers stating what the increased rates will be. In accordance with WAC 480-90-198, Notice Verification and Assistance was already submitted on September 23, 2022, within this docket.
