**Re: UG-230739 – NW Natural Residential Bill Discount Program – Revised Tariff Sheets
DO NOT REDOCKET**

On September 12, 2023, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), filed Advice No. 23-05, docketed as UG-230739, to introduce tariff schedules for its proposed residential bill discount program. On September 18, 2023, the Company filed a replacement tariff page Schedule 231.1 to reflect adjusted rates to correct a calculation error.

The purpose of this filing is to provide replacement pages for all tariff sheets previously filed in this docket to reflect a new proposed effective date of January 1, 2024.

NW Natural is continuing to work with its GREAT Advisory Group to discuss and decide upon process and design regarding the bill discount program; any changes to the Company's filing or tariff sheets resulting from those discussions will be filed in this docket, providing adequate time for processing ahead of the effective date.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

For any questions, please address correspondence on this matter to me with copies to the following:
