Pursuant to WAC § 480-09-420(8) and CR 41(a), Intervenor, Microsoft Corporation (“Microsoft”) respectfully moves the Washington Utilities and Transportation Commission (“Commission) for an order allowing Microsoft’s withdrawal without prejudice from Docket No. UE-031725.

On October 24, 2003, Puget Sound Energy (“PSE”) filed an Application for Adjustment of its Power Cost Rate pursuant to the settlement stipulation approved by the Commission in PSE’s last general rate case. WUTC v. PSE, WUTC Docket Nos. UE-011570 and UG-011571, Twelfth Supp. Order at 3 (June 20, 2002). Microsoft filed a Petition to Intervene in this case on November 6, 2003. The Intervention was granted on November 12, 2003.

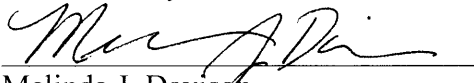

Microsoft now seeks to withdraw without prejudice from this Docket because it has joined Industrial Customers of the Northwest Utilities (“ICNU”) and will be represented by the trade association in this proceeding.

WHEREFORE, Microsoft respectfully moves the Commission to grant its Motion to Withdraw without prejudice.

DATED this 30th day of December, 2003.

Respectfully Submitted,

DAVISON VAN CLEVE, PC
