Dear Commissioners:

This is a comment on PSE's 2017 Integrated Resource Plan, Docket #s UE-160918 and UG-160919. I am concerned about climate change + the pollution caused by burning fossil fuels.

Please ask PSE to close all Colstrip plants by 2025 and replace them with 100% re-newable energy. I am a rate payer and I feel this is our most pressing issue.
Thank you! J. Hirsch
