Re: Docket Nos. UT-003022 and UT-003040

Dear Ms. Washburn:

Enclosed are the original and 12 copies of AT&T's Exhibit List for the hearing beginning on June 5, 2002. AT&T's witness for the hearing will be John Finnegan on the ROC OSS Test Report and Qwest's QPAP Compliance Filing.

AT&T anticipates it will need one hour of cross-examination of vendor representatives for KPMG and HP, but does not expect to cross-examine the MTG vendor representative.

It is difficult to estimate the time that will be necessary to cross-examine Qwest's witness(es) until we have reviewed the Qwest filing to be made on Monday, June 3. At this point, AT&T estimates one hour or less per witness.

Very truly yours,

Mary B. Tribby
