Re: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*, Dockets UE-111048 & UG-111049 (*consolidated*)

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 08, Rejecting Tariff Sheets; Authorizing and Requiring Compliance Filing, in these dockets on May 7, 2012 (Order 08). The Order, among other things, addressed a proposal by the Energy Project to increase funding for PSE's low-income bill assistance program. No party objected to this proposal and the Commission found it reasonable. Order 08 directed the Company to file for the proposed increase as part of its ongoing low-income program annual true-up compliance filing on August 31, 2012.

On August 31, 2012, PSE filed electric and natural gas tariff sheets. The purpose of the filings is to revise the Low Income Program charges to reflect the increase in funding required by Order 08 and for actual program funding costs due to changes in billing determinants and the collections over the past year. The Commission has reviewed the tariff sheets and it appears they do, in fact, comply with the Commission's Order 08.

Therefore, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of October 1, 2012.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
