RE Docket No. UE-070565 (Advice No. 2007-11)  
Substitute Cover Letter – **Do Not Redocket** - Filed Electronically

Dear Ms. Washburn:

Puget Sound Energy, Inc. (the "Company" or "PSE") hereby submits, in connection with Docket No. UE-070565, the attached substitute cover letter to replace the cover letter filed on March 20, 2007, under the Company's Advice No. 2007-11. This substitute filing does not affect the tariff sheets filed in this proceeding and is in keeping with WAC 480-80-111.

The purpose of this filing is to provide a revised cover letter that adds an advice number and corrects inadvertent references in the original cover letter. The original cover letter included several references to Schedule 95A which was not intended to have been and was not included in this filing. Specifically, the changes are to (1) add the advice number to the subject of the letter, (2) delete the reference to Schedule 95A in the last sentence of the first paragraph, (3) delete tariff sheets 95-f through 95-k from the list of tariff sheets filed on page 2 of the cover letter, and (4) the last change is the deletion of the sentence on page 2 immediately below the list of tariff sheets that refers to Schedule 95A. We also have attached the appropriate tariff sheets as Addendum A to the attached substitute cover letter.

The attached substitute cover letter does not make any changes to the filing but clarifies the filing. The Company respectfully requests that this substitute cover letter be accepted to replace the original cover letter.
