Re: Request for Certification Pursuant to WAC 480-123-060 and
47 C.F.R. §54.314, and

Dear Ms. Washburn:

This is a supplemental filing correcting a typographical error contained in the report submitted by CenturyTel of Cowiche, Inc. ("Company") to comply with WAC 480-123-060 and 47 C.F.R. §54.314.

In the first sentence of the second paragraph of the narrative report, the Company stated, "Attached is a copy of the Company's NECA-1 Report for the calendar year 2005, that, as of the date of this report, the Company has submitted to NECA." The plant investment and expense amounts listed on the NECA-1 report are associated with the Company's operations in 2006, not 2005. Therefore, the sentence should be revised to state, "Attached is a copy of the Company's NECA-1 Report for the calendar year 2006, that, as of the date of this report, the Company has submitted to NECA."

Pursuant to WAC 480-123-060, CenturyTel of Cowiche, Inc. hereby requests that the Washington Utilities and Transportation Commission certify that the Company has met the requirements of 47 C.F.R. §54.314 for eligibility for continued receipt of federal high-cost funds.
