RE: *In the Matter of Northwest Natural Gas Company's Application for Approval of Corporate Reorganization to Create a Holding Company,*  
Docket UG-170094

TO ALL PARTIES:

On December 28, 2017, the Washington Utilities and Transportation Commission (Commission) entered its final order, Order 01, Approving Application Subject to Conditions (Order 01) in docket UG-170094. On March 13, 2018, Order 01 was amended to incorporate a list of commitments with which Northwest Natural Gas Company d/b/a NW Natural (NW Natural or Company) must comply. This list included Commitment 30, which states:

For the first five calendar years after reorganization, HoldCo and NWN-U will report on how the company complied with each of the commitments listed herein no later than June 15 of each year. This report will require an officer attestation of compliance with the commitments. If any of the commitments are not being met, the report shall include proposed corrective measures relative to the specific commitments, subject to Commission revision and appropriate remedy as determined by the Commission.

On April 29, 2022, NW Natural filed its required annual report and officer attestation.

On August 10, 2022, Commission staff (Staff) filed a letter in this docket informing the Commission that Staff had reviewed the filing and found that it complies with Commitment 30.

The Commission accepts the report and attestation filed on April 29, 2022, as in compliance with the terms of Order 01.
