RE: *In the Matter of the Petition of Qwest Corporation for Commission Approval of Stipulation Regarding Certain Performance Indicator Definitions and Qwest Performance Assurance Plan Provisions, Docket UT-073034*

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 06, an Initial Order in the above-referenced docket on May 23, 2008, approving and accepting the parties' 2008 Partial Settlement Agreement. In accordance with WAC 480-07-825(7), Order 06 became a Final Order of the Commission on June 13, 2008.

Order 06 approved alterations to the Qwest Performance Assurance Plan (PAP) and to various Performance Indicator Definitions (PIDs); Order 06 also applied these changes to all interconnection agreements containing the PIDs and/or PAP between Qwest Corporation (Qwest) and CLECs under the Commission's jurisdiction, effective June 15, 2008, without individual amendment.

On June 18, 2008, Qwest filed updated and "clean" versions of the affected exhibits to its Statement of Generally Available Terms (SGAT), Eighth Revision: (a) Exhibit B – Performance Indicator Definitions (Version 9.1) and (b) Exhibit K – Performance Assurance Plan (Tenth Amended).

The Commission has examined Qwest's filing. It appears to comply with the terms of the Commission's Order. Therefore, the SGAT exhibits listed above will become effective as filed with an effective date of June 15, 2008.

Sincerely,

DAVID W. DANNER
Executive Director
