**RE: Correction to Cover Letter
UG-200649: Schedule 303—NW Natural’s Environmental Cost Recovery
Mechanism Annual Tariff Adjustment Filing and 2019 Annual Report**

Dear Mr. Johnson:

Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), files herewith a correction to its cover letter filed on July 15, 2020, under NWN WUTC Advice No. 20-4 (UG-200649). The original letter incorrectly stated a proposed change to the average residential Schedule 2 customer using 57 therms as being an increase of \$0.47 per month. This increase should have been \$0.17 per month. All other proposed changes stated in the cover letter were correct.

Please address any correspondence on this matter to me with copies to the following:
