NOTICE REVISING PROCEDURAL SCHEDULE
(Continuing Evidentiary Hearing to September 17, 2014, at 1:30 p.m.)

Re: *Washington Utilities and Transportation Commission v. Waste Control, Inc.*,
Docket TG-140560

TO ALL PARTIES:

On April 3, 2014, Waste Control, Inc. (Waste Control or Company) filed with the Washington Utilities and Transportation Commission (Commission) new Tariff No. 16 reflecting a general rate increase that, if approved, would generate approximately \$532,000 (15.4 percent) in additional revenue. On April 10, 2014, the Commission entered Order 01, a complaint and order suspending Waste Control's revised tariff pending Commission investigation of the proposed rates. The Commission entered Order 02 on May 2, 2014, establishing the procedural schedule, including dates for an evidentiary hearing. On June 18, 2014, the Commission entered Order 04, rescheduling the evidentiary hearing to September 2-3, 2014.

On August 28, 2014, Commission Staff (Staff) filed with the Commission, on behalf of the parties, a Joint Motion for Continuance to postpone the scheduled hearing until September 17, 2014, and extend the deadline for filing post-hearing briefs from September 25, 2014, to October 9, 2014. Staff states that the parties require additional time to review new information provided in Waste Control's rebuttal testimony, pursue potential settlement on the basis of newly-provided information, and prepare for an evidentiary hearing.

The Commission finds that Staff has demonstrated good cause to continue the hearing date and briefing deadline and grants the request.

THE COMMISSION GIVES NOTICE That the evidentiary hearing in this docket scheduled for September 2-3, 2014, is cancelled and rescheduled to September 17, 2014, beginning at 1:30 p.m. in Room 139 of the Commission's offices in Olympia, and that post-hearing briefs are due no later than October 9, 2014.
