BENCH REQUEST NO. 002

BENCH REQUEST NO. 002:

Please provide a summary of FERC Account 928 for 2009 as requested in Staff Data Request 382 and in the same format provided in Staff Exh. No. MCC-15.

Please provide any supporting workpapers for Company Adjustment 13.12 – Rate Case Expenses (Electric) and 11.12 – Rate Case Expenses (Gas) in electronic spreadsheet format with all formulas and links intact.

Response:

Attached as Attachment A to Bench Request No. 002, please find a summary of FERC Account 928 for 2009, which was not requested in the original WUTC Staff Data Request No. 382.

The workpaper supporting Puget Sound Energy's Adjustment 13.12 Rate Case Expenses (Electric) and 11.12 – Rate Case Expenses (Gas) is contained in the workpaper files submitted on May 23, 2017, in response to the Notice of Technical Conference that was scheduled on May 31, 2017. Specifically, please reference the file named "6.12E & 6.12G Rate Case Exp 17GRC.xlsx," which is the same file included with the original filing workpapers as no changes were made to this adjustment in the supplemental filing.

Also included in the workpaper files on May 23, 2017 was a workpaper index entitled "##Exhibit & Workpaper Index.xlsx," which was provided to assist in identifying the workpapers for all exhibits filed by Katherine J. Barnard and Susan E. Free. This workpaper index has been attached as Attachment B to Bench Request No. 002 and shows on row 36 of the tab named "Exhibits – Supp," that although the exhibit numbering changed, the rate case expense adjustment itself was not changed from the original filing and, therefore, the name of the workpaper file supporting the adjustment was not changed.
