Re: Public Hearing Testimony: UE - 220066 & UG - 220067  
PSE General Rate Case

Mr. Roberts,

- dated Sept. 22, 2022

I only received your hearing notice yesterday,  
September 30, 2022! That is after the hearing date.

I submitted a letter to the UTC recently, before  
the hearing date that I wish to have entered for  
the hearing's public as my testimony. I cannot  
control the promptness of our US Postal Service.

I recently received a Christmas Card dated  
Dec. 21, 2020 as an example; and I have never  
received the certified mail receipt from a  
June 2022 mailing.

Please ensure the Commissioners read & take into  
consideration the contents of my letter.

Thank you,

Darlyn M. DellBoca

ps I am not "electronically connected" as  
you seem to assume we all are.
