Re: Petition for an Order Regarding Authorization to Sell Sulfur Dioxide Emission Allowances and Associated Accounting Order

Dear Ms. Washburn:

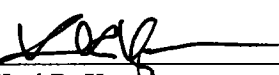

Enclosed for filing are an original and three copies of the Petition of Puget Sound Energy for an order regarding the authorization to sell sulfur dioxide emission allowances and an associated accounting order.

The objective of the requested order is to allow the Company to sell emission allowances which are deemed to be in excess of its needs from time to time.

Thank you for your assistance.

Very truly yours,

PUGET SOUND ENERGY, INC.
