BACKGROUND

1 This matter comes before the Washington Utilities and Transportation Commission (Commission) for approval of a negotiated agreement for interconnection and the resale of specified exchange services (Agreement) under the Telecommunications Act of 1996 (Telecom Act). The Agreement is between Premiere Network Services, Inc., (Premiere), and United Telephone Company of the Northwest (Sprint). The parties filed a joint request for approval of the Agreement on October 26, 2001.

MEMORANDUM

2 The Agreement between Premiere and Sprint was brought before the Commission at its regularly scheduled open meeting held on November 16, 2001, at its offices in Olympia, Washington. The Commission granted its approval of the Agreement as negotiated and requested by the parties.

FINDINGS OF FACT

3 The Commission is an agency of the State of Washington vested by statute with the authority to regulate the rates, rules, regulations, practices, accounts, securities, and transfers of public service companies, including telecommunications companies.

4 Section 252(e)(1) of the Telecom Act requires parties to a negotiated agreement to submit the agreement to the Commission for approval. Section 252(e)(2)(A) states that the Commission may only reject an agreement (or any portion thereof) adopted by negotiation if it finds that:

5 (i) the agreement (or any portion thereof) discriminates against a
telecommunications carrier not a party to the agreement; or

6 (ii) the implementation of such agreement or portion is not
consistent with the public interest, convenience, and
necessity.

7 Sprint is engaged in the business of furnishing telecommunications services,
including, but not limited to, basic local exchange service within the state of
Washington.

8 Premiere is authorized to provide telecommunications services to the public in the
state of Washington.

9 On October 26, 2001, the parties filed with the Commission a joint request for
approval of a negotiated interconnection and resale of services agreement pursuant to
the Telecom Act.

10 Premiere and Sprint voluntarily negotiated the entire Agreement.

11 The Agreement does not discriminate against any other telecommunications carrier.

12 The Agreement will facilitate local exchange competition in the state of Washington
by enabling Premiere to enter the local exchange market and increase customer
choices for local exchange services.

CONCLUSIONS OF LAW

13 The Commission has jurisdiction over the subject matter and all parties to this
proceeding.

14 The Agreement is consistent with the public interest, convenience, and necessity.

15 The Agreement meets the requirements of Sections 251 and 252 of the Telecom Act,
including Section 252(e).

16 The laws and regulations of the State of Washington and Commission orders govern
the construction and interpretation of the Agreement. The Agreement is subject to the
jurisdiction of the Commission and the Washington courts.

ORDER

THE COMMISSION ORDERS:

- 17 The Agreement for interconnection and resale of services between Premiere Network Services, Inc., and United Telephone Company of the Northwest, which the parties filed on October 26, 2001, is approved and effective.
- 18 In the event that the parties revise, modify, or amend the agreement approved herein, the revised, modified, or amended agreement will be deemed to be a new negotiated agreement under the Telecom Act and must be submitted to the Commission for approval, pursuant to 47 U.S.C. § 252(e)(1) and relevant provisions of state law, prior to taking effect.
- 19 The laws and regulations of the State of Washington and Commission orders govern the construction and interpretation of the Agreement. The Agreement is subject to the jurisdiction of the Commission and the Washington courts.

DATED at Olympia, Washington, and effective this 16th day of November, 2001.
