Ms. McBride,

I am a Community Police Team Officer for the Seattle Police Departments East Precinct. I was given your e-mail address by another officer as a point of contact for having Qwest pay phones restricted to out going calls only. If you are the person that I would contact please let me know what the process is so that I may request restrictions on two pay phones. If you are not who I would contact could you point me in the right direction.

Thank You,
