Subject: Petition for Modifications of Detection Circuitry at 212<sup>th</sup> St. NW / Knudson Rd RR Crossing (RC1310)

Dear Mr. Nizam:

Attached is the original petition and two copies of the petition for your review and order. The Burlington Northern and Santa Fe Railway Company (BNSF), the petitioner, has signed the petition requesting to enter an order consenting to the modification of detection circuitry for a grade crossing system on 212<sup>th</sup> St. NW. The respondent, Snohomish County Public Works, which is also the road authority has signed the Waiver of Hearing for this petition.

If you have any questions on the above project, please contact myself at (425) 388-6652 or Max Phan, Project Manager, at (425) 388-3109.

Sincerely,

Steven E. Thomsen, P.E.  
County Engineer
