(N)

10.11.3 N11 SERVICE

A. 211 Service

1. Description

211 Service (“211”) is a three-digit local dialing arrangement available in specified areas for the delivery of community information and referral services via voice grade facilities. Pursuant to Order 00-256, issued by the Federal Communications Commission (FCC) in CC Docket 92-105, the 211 code is assigned for access to community information and referral services.

2. Terms and Conditions

- a. Qwest Corporation will provide 211 Service in Qwest Corporation territory only. To provide 211 access to end users in an independent company territory, or to a Competitive Local Exchange Carrier’s (CLEC) end user, the 211 subscriber must make appropriate arrangements with the independent company or CLEC serving that territory.
- b. This service is provided subject to the availability of the 211 code.
- c. 211 can be delivered via regular exchange access lines (by individual business line, PBX trunks, etc.).
- d. Limitations and use of service apply as stated in Section 2 of this Tariff.
- e. Directory listings may be provided for 211 under the terms, conditions, rates and charges specified in 5.7.1 of this Tariff.

10. MISCELLANEOUS SERVICE OFFERINGS

10.11 MISCELLANEOUS SERVICES

10.11.3 N11 SERVICES

A.2. (Cont'd)

(N)

f. Access to 211 is not available to the following classes of service:

- 1+,
- 0+, 0-(credit card, third-party billing, collect calls),
- 101XXXX,

In addition, operator assisted calls to the 211 subscriber will not be completed.

- g. The 211 subscriber is restricted from selling or transferring the 211 code to an unaffiliated entity, either directly or indirectly.
- h. 211 will not provide calling number information in real time to the 211 subscriber. If the 211 subscriber needs this type of information, the 211 subscriber must subscribe to a compatible Caller Identification Service as specified elsewhere.
- i. Calls to the 211 code that translate to a disconnected number will be routed to intercept of the announcement facilities for a maximum of 60 days, when the 211 provider is a Company subscriber. The announcement provided may refer the caller to another telephone number. Callers placing calls to 211 from areas where 211 Service is not provided will be advised that the service is not available from their number.

10.11 MISCELLANEOUS SERVICES

10.11.3 N11 SERVICE

A.2. (Cont'd)

(N)

- j. Disputes regarding geographic coverage by two or more 211 subscribers will be referred to the Washington Utilities and Transportation Commission.
- k. The Company will provision the subscriber's order within a reasonable time, given the complexity of the order. The 211 subscriber will be billed the nonrecurring charge when the Company provisions the service.

If during this period, the 211 subscriber has failed to establish service or decides to discontinue service establishment, the 211 code will be recalled and the code will be considered available for reassignment. If the network has been provisioned for the subscriber, the nonrecurring charges will not be refunded or waived.

- l. Only a single seven or ten-digit local number or a single ten-digit toll free number may be used as the point-to number.
- m. 211 Service is provided where facilities permit.

10. MISCELLANEOUS SERVICE OFFERINGS

10.11 MISCELLANEOUS SERVICES

10.11.3 N11 SERVICE

A.2. (Cont'd)

(N)

- n. The 211 subscriber should work separately with cellular or wireless companies to ascertain whether cellular or wireless customers will be able to reach community information and referral services provided by dialing 211.
- o. 211 will be provided under the following conditions:
 - (1) The subscriber will subscribe to adequate telephone facilities, both initially and subsequently as required in the judgement of the Company, to handle calls to 211 without impairing the Company's general telephone service or telephone plant.
 - (2) The 211 subscriber is responsible for obtaining all necessary permissions, licenses, written consents, waivers and releases, and all other rights from all persons whose work, statements or performances are used in connection with the service, and from all holders of copyrights, trademarks, and patents used in connection with the service.
 - (3) The 211 subscriber shall be liable for, and shall indemnify, protect, defend and save harmless the Company against all suits, actions, claims, demands and judgements, and of all costs, expenses and counsel fees incurred on account thereof, arising out of and resulting directly or indirectly from the service or in connection therewith, including but not limited to, any loss, damage, expense or liability resulting from any infringement or claim of infringement, or any patent, trademark, copyright, or resulting from any claim of liable and slander.
 - (4) Suspension of 211 Services is not allowed.

A.2.o. (Cont'd)

(N)

- (5) The 211 subscriber will respond promptly to any and all complaints lodged with any regulatory authority against any service provided via 211. At the Company's request, the 211 subscriber will assist in responding to complaints made to the Company concerning the subscriber's 211 service.
 - (6) The Company will provide both oral and written notification when a 211 subscriber's service unreasonably interferes with or impairs other services rendered to the public by the Company or by other subscribers of 211. The Company reserves the right once notification is made to institute protective measure up to and including termination at any time and without further notice. The Company may take protective measure when the 211 subscriber makes no modification or is unwilling to accept modification in method of operation, or continues to cause service impairments.
- p. The following conditions apply if the 211 subscriber provides a pre-recorded announcement:
- (1) The 211 subscriber will provide announcements. The Company will provide only delivery of the call.
 - (2) The Company's provision of access to the 211 network for transmission of announcements or recorded program services is subject to the availability of such facilities and the requirements of the local exchange network.
 - (3) The 211 subscriber assumes all financial responsibility for all costs involved in providing announcement or recorded program services including but not limited to, the recorder-announcement equipment producing the recording, advertising and promotional expenses.
 - (4) The 211 subscriber assumes all financial responsibility, according to other specific rates and charges under tariff, for all facilities required to connect the recorder-announcement equipment located on the subscriber's premises.

D. 711 Services

1. Description

711 Service (“711”) is a three-digit local dialing arrangement for telephone transmission access to all Telecommunications Relay Service (TRS) entities as a toll free call. Pursuant to Order 00-257, issued by the Federal Communications Commission (FCC) in CC Docket 92-105, the 711 code is assigned for nationwide access to TRS entities.

2. Terms and Conditions

- a. Qwest Corporation will provide 711 Service in Qwest Corporation territory only. To provide 711 access to end users in an independent company territory, or to a Competitive Local Access Carrier’s (CLEC) end user, the 711 subscriber must make appropriate arrangements with the independent company or CLEC serving that territory.
- b. This service is provided subject to the availability of the 711 code.
- c. 711 can be delivered via regular exchange access lines (by individual business line, PBX trunks, etc.).
- d. Limitations and use of service apply as stated in Section 2 of this Tariff.
- e. Directory listings may be provided for 711 at no charge.

f. Access to 711 is not available to the following classes of service:

- 0-(credit card, third-party billing, collect calls),
- 101XXXX,

In addition, operator assisted calls to the 711 subscriber will not be completed.

- g. The 711 subscriber is restricted from selling or transferring the 711 code to an unaffiliated entity, either directly or indirectly.
- h. 711 will not provide calling number information in real time to the 711 subscriber. If the 711 subscriber needs this type of information, the 711 subscriber must subscribe to a compatible Caller Identification Service as specified elsewhere.
- i. Calls to the 711 code that translate to a disconnected number will be routed to intercept of the announcement facilities for a maximum of 60 days, when the 711 provider is a Company subscriber. The announcement provided may refer the caller to another telephone number. Callers placing calls to 711 service from areas where 711 service is not provided will be advised that the service is not available from their number.

- j. The Company will provision the subscriber's order with a reasonable time, given the complexity of the order. The 711 subscriber will be billed the nonrecurring charge when the Company provisions the service.

If during this period, the 711 subscriber has failed to establish service or decides to discontinue service establishment, the 711 code will be recalled and the code will be considered available for reassignment. If the network has been provisioned for the subscriber, the nonrecurring charges will not be refunded or waived.

- k. Only a single seven or ten-digit local number or a single ten-digit toll free number may be used as the point-to number.
- l. 711 Service is provided where facilities permit.
- m. The 711 subscriber should work separately with cellular or wireless companies to ascertain whether cellular or wireless customers will be able to reach relay services provided by dialing 711.

- n. 711 will be provided under the following conditions:
- (1) The 711 subscriber will subscribe to adequate telephone facilities initially and subsequently as may be required, in the judgement of the Company, to handle calls to 711 without impairing the Company's general telephone service or telephone plant.
 - (2) The 711 subscriber is responsible for obtaining all necessary permission, licenses, written consents, waivers and releases, and all other rights from all persons whose work, statements or performances are used in connection with the service, and from all holders of copyrights, trademarks, and patents used in connection with said service.
 - (3) The 711 subscriber will be liable for, and shall indemnify, protect, defend and save harmless the Company against all suits, actions, claims, demands and judgements, and of all costs, expenses and counsel fees incurred on account thereof, arising out of and resulting directly or indirectly from the service or in connection therewith, including but not limited to, any loss, damage, expense or liability resulting from any infringement or claim of infringement, or any patent, trademark, copyright, or resulting from any claim of liable and slander.
 - (4) Suspension of 711 Services is not allowed.
 - (5) The 711 subscriber will respond promptly to any and all complaints lodged with any regulatory authority against any service provided via 711. At the Company's request, the 711 subscriber will assist in responding to complaints made to the Company concerning the subscriber's 711 service.
 - (6) The Company will provide both oral and written notification when a 711 subscriber's service unreasonably interferes with or impairs other services rendered to the public by the Company or by other subscribers of 711. The Company reserves the right once notification is made to institute protective measure up to and including termination at any time and without further notice. The Company may take protective measure when the 711 subscriber makes no modification or is unwilling to accept modification in method of operation, or continues to cause service impairments.

- o. The following conditions apply if the 711 subscriber provides a pre-recorded announcement:
 - (1) The 711 subscriber will provide announcements. The Company will provide only delivery of the call.
 - (2) The Company's provision of access to the 711 network for transmission of announcements or recorded program services is subject to the availability of such facilities and the requirements of the local exchange network.
 - (3) The 711 subscriber assumes all financial responsibility for all costs involved in providing announcement or recorded program services including but not limited to, the recorder-announcement equipment producing the recording, advertising and promotional expenses.
 - (4) The 711 subscriber assumes all financial responsibility, according to other specific rates and charges under tariff, for all facilities required to connect the recorder-announcement equipment located on the subscriber's premises.
- p. The Company may take all legal and practical steps to disassociate itself from 711 subscribers whose business and/or public conduct (whether demonstrated or proposed) is of a type that in the Company's discretion generates unacceptable levels of complaints by end users.
- q. The Company is not liable for any losses or damages of any kind resulting from the unavailability of its equipment or facilities or for any act, omission or failure of performance by the by the Company, or its employees, or agents, in connection with this Tariff. The Company shall not be responsible for calls that cannot be completed as a result of repair or maintenance difficulties on Company facilities and equipment or on equipment owned or leased by the subscriber.
- r. Calls placed to the 711 code will be routed to the point-to number based upon the central office switch and/or the Number Plan Area (NPA) of the calling party. Routing based upon NPA and NXX, ten-digit telephone number or ZIP Codes can be provided where technically feasible.
