Dear Ms. Wallace:

Please find enclosed a completed application requesting the transfer of permanent household goods authority referenced in your Certificate Number CC-16649 (copy enclosed) to the undersigned. On August 1, 1997 I purchased Golden Services LLC from Richard Wells and his partners (copy of sales agreement attached). Prior to purchasing Golden I spent extensive time with the former owners evaluating the business and becoming familiar with all the inner workings of the firm. I also assumed and successfully completed all business obligations that Golden incurred prior to my purchase.

In early September 1997 I received permit number CC 16649 from the Commission. I have continuously have operated Golden as an active moving and storage company since purchasing this entity. I have also filed annual statements and paid all required fees due the commission.

Until our conversation in May of this year I believed that I was in full compliance with all Commission rules and regulations. The fact that this is the first I had heard of this matter reinforced my erroneous belief. In any event, I have worked long and hard to grow this business and keep (depending upon the season) 30-50 people employed.
