We would like to surrender our Household Goods Authority HG-5684 and continue with our Common Carrier permit CC-5684 which would allow Lake Cassidy Trucking, Co., to haul general commodities within the state of Washington. *including logs, poles & pilings and heavy equipment.*

We don't currently, nor do we plan on hauling household goods from residence to residence. Our business is to haul general commodities and logs.

(Please explain about the change of ownership so it can be clearly documented in the file)
