To whom it may concern,

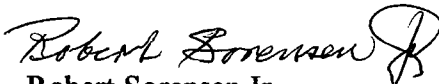

My name is Robert Sorensen, Jr. and I own MSM Hauling. I recently received a letter from the WUTC for failure to file a Household Goods Carriers Report (HG# 3465). I called down to your office and spoke with Terri Wallace regarding this issue. She, in turn, suggested that I write a letter to you to cancel my Household Carriers Permit. In the past 5 years my company has not hauled any Household Goods. Therefore, I am told, is all that I needed was to maintain my CC permit.

I understand that I will have to pay a fine for being delinquent in responding, in regards to my Household carrier report. Please advise me of how much that entails and I will gladly take care of it.

As of this date, I would greatly appreciate it if you would see that my Household Goods Carrier Permit is canceled. As I said in the earlier part of this letter, I would like to keep my CC permit.

Thank you again for your time. Sorry for the delinquency of my responding to this issue.

Yours Truly

Robert Sorensen Jr.
