Dear Sirs:

Subject: 2003 Class "A & B" Annual Report – G-237

We have been working diligently in the preparations for filing the annual report for Waste Management of Washington, Inc. (G-237), however due to the extensive nature of compiling the company's information and the inherent complexities that have arisen from the modifications to the new annual report form it is doubtful that we will be able to complete the annual report by May 1st. Consequently, we respectfully request that Commission waive WAC 480-70-071 and grant an extension to file our annual report by July 1, 2004.

We will submit an estimated payment of our regulatory fees by May 1st and upon completion of the annual report we will determine the remaining amount due either to us or the WUTC at that time.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,

Michael A. Weinstein
