RE: 2003 Telecommunications Companies Annual Report
Request For Extension
Company Name: See Explanation Below

Dear Ms. Washburn,

We would like to request an extension of the due date for filing our Annual Report from May 1, 2004 to June 1, 2004.

The reason for the extension is that we are in the process of an annual audit required each year by the RTFC for any company that has loans through that organization. Due to the audit, our Financial Statements for the year 2003 are not yet complete.

Our company has undergone an organizational change this year. For the entire year 2003, we were filed as Local Access Prime, LLC DBA Local Access Communications. As of January 1, 2004, Local Access Prime was dissolved. We are now Mashell Telecom, Inc. DBA Local Access Communications and our current Price Lists can be found under this name.

Please advise, if possible whether you approve this extension.

Sincerely,

Mark Carrier
