RE: Annual Report Extension Request

We would like to request an extension of time to file the 2003 Annual Reports for the following companies: Bingen Garbage Service #G00051 and Skamania County Sanitary Service, Inc. #G000048.

The annual reports were not received by the companies until April 12th. With the volumn of work experienced at this particular time of year by the company's accountants, there isn't enough time to compile the information necessary to complete the reports and allow a little time for the owners to review the reports. Especially, when the reports tripled in size from the prior year.

We anticipate the reports being completed by May 15th at the very latest.

Sincerely,

P.L. Prine
