Re: Marbello Water Co., Inc. - First Revised Sheet No. 26 Canceling
 Original Sheet No. 26

Dear Ms. Washburn:

Enclosed are the original and three copies of the above-referenced tariff sheet. The purpose of this filing is to increase the company's rates. The filing is expected to generate approximately \$101,500.00 in revenues. This is an increase of approximately 260 percent over 2003 revenues. The base rate increases from \$32.85 to \$43.37 per month. The usage rate is now assessed on all usage. There is no usage allowance in the base rate. The usage rate decreases from \$4.00 per 100 cubic feet to \$1.84 per 100 cubic feet.

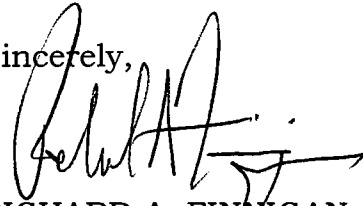

The company has been operating at significant losses over the past years. This rate increase will allow the company to break even.

Supporting financial information has been submitted in Docket No. UW-040366. The company's DOH System ID Number is ID#51530M. To the extent something has been overlooked, the company requests a waiver of WAC 480-07-530(4).
