Dear John Foster:

Enclosed is the Release of Authority for Cancellation for Lifelong AIDS Alliance. For many years Lifelong provided transportation services to our clients to medical and social services appointments. Due to budget restraints, Transportation Services are now contracted through Hopelink and we no longer have a Transportation Coordinator on staff and have removed our transportation van from our fleet.

We do still maintain a fleet for meal delivery and for agency events, but no rides are provide to our clients. Thank you for your help in canceling our permit.

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Reno Tripiano", with a long horizontal line extending to the right.

Facilities Coordinator
