RE: Docket No. TV-041433

To Whom It May Concern:

Hogland Transfer Company has held Common Carrier and Household Goods operating authority as granted by the Commission under Common Carrier permit CC 25. Hogland Transfer Company has not been active in handling shipments of Household Goods for a number of years and it is our desire to surrender that portion of our authority to the Commission for cancellation.

We understand that Hogland Transfer Company is included with twenty other companies on Docket No. TV-041433 to show cause why our Household Goods Carrier Permit should not be cancelled. Hopefully this notice will minimize further burden and expense on the Commission in regards to the cancellation of our Household Goods authority.

If you have any questions, or need further information from us, please contact me at 425-407-1011.

Sincerely,

Steve Holtgeerts
President
