**BACKGROUND**

1        Application is hereby made to the WUTC for an Order authorizing the transfer of property under the provisions of chapter 80.12 RCW and chapter 480-143 WAC.

**INTRODUCTION**

2        Quail Run Water Company, Inc. is a Washington corporation formed to act as a utility service company. The Water Company of Washington, LLC. located in Tumwater, currently owns several water systems serving over 300 customers. The water systems to be transferred consist of wells, pumps, transmission mains, reservoirs, hydrants, distribution mains, meters, and appurtenances to serve the customers of the Quail Run Water Company, Inc.

3        The water systems are currently operating under a green operating permit issued by the Washington State Department of Health and have no outstanding orders or letters directing action.

4        As a result of this sale and transfer of water system assets, The Water Company of Washington, LLC. will maintain Quail Run Water Company, Inc. water rates currently in effect and will be adopting the tariff of Quail Run Water Company, Inc.

**EXHIBITS**

- 5 Pursuant to WAC 480-143-120 and WAC 480-143-130, please find attached the following exhibits:
- 6 Exhibit 1 – Instrument of Transfer.
- 7 Exhibit 2 – Water Company 1 – Quail Run Water Company, Inc..  
Income Statement, Balance Sheet, Asset Listing, Depreciation Schedule, and Summary of outstanding securities.
- 8 Exhibit 3 – Water Company 2 – The Water Company of Washington, LLC.  
Income Statement, Balance Sheet, Asset Listing, Depreciation Schedule, and Summary of outstanding securities.
- 9 Exhibit 4 – Adoption of Tariff Notice.
- 10 Exhibit 5 – Customer notice of sale and transfer of water system(s).

**METHOD OF FINANCE**

- 11 There is no purchase price for the water system assets as this sale and transfer is made on a merger basis. The merged assets will be owned pro-rata by the current members of The Water Company of Washington, LLC .

**TRANSFER IS IN THE PUBLIC INTEREST**

- 12 The benefits of this acquisition of water system assets include expanded financial resources, in-house engineering, and water quality staff to provide all aspects of water system repair and operations. The owners of Quail Run Water Company, Inc. no longer desire to own and operate public water systems. Customers were notified of the sale and transfer along with their most recent billings. The proposed tariff adoption bears an effective date of January 1, 2005. This date is to coincide with company billing periods and allows a mutually agreed closing date. For accounting purposes the bookkeeping records should be considered transferred and effective on that date.

13 The current staff of Quail Run Water Company, Inc.. has been retained to continue operations and maintenance of the water systems under the leadership of The Water Company of Washington, LLC.

14 As a result of the sale and transfer of assets, the water rates and service charges will not change. The Water Company of Washington, LLC. will adopt the full tariff of Quail Run Water Company, Inc., without change at any rate or charge contained therein as occasioned by this transfer.

**PRAYER**

15 Based on the foregoing, the Applicants request approval of their application respectfully submitted this 1<sup>st</sup> day of January 2005.
